WORK EXPERIENCE

MERN Stack Developer Intern <i>Techpile Technology PVT. LTD. Summer Internship MERN Stack</i>	June 2025 – July 2025
--	-----------------------

- Completed intensive training in Full-Stack Web Development using MongoDB, Express.js, React.js, and Node.js.
- Developed responsive and dynamic web applications using modern web development practices.
- Gained hands-on experience with frontend development, backend APIs, database integration, and application functionality.

PROJECTS

Education Management & Attendance System | MERN Stack

- Developed a role-based web application with separate Admin, Teacher & Student panels for managing academic activities
- Implemented student attendance management, allowing teachers to record and manage attendance efficiently.
- Implemented teacher registration and admin approval functionality to ensure authorized access.

Quirex – Real Estate Platform | MERN Stack

- Engineered a full stack real estate management platform with property listing, search filter and user dashboard

Quiz Application | MERN Stack

- Developed an interactive quiz application with separate functionality for users and administrators
- Implemented an admin panel for managing quiz questions and content.
- Designed a responsive interface for smooth quiz participation.

News Portal | MERN Stack

- Developed a dynamic news portal featuring category-wise articles. REST API-driven content updates and a fully responsive design optimized for cross-browser compatibility.

CERTIFICATIONS

- MERN Stack Developer Certification – A++ Grade, Techpile Technology Pvt. Ltd., Lucknow, Uttar Pradesh.
- Soft Skills Certification – Communication, Teamwork, and Interpersonal Skills
